I. TITLE: **Eligible Costs Related to Pet Evacuations and Sheltering**

II. DATE: **OCT 24 2007**

III. PURPOSE:

The purpose of this policy is to identify the expenses related to State and local governments' emergency pet evacuation and sheltering activities that may be eligible for reimbursement following a major disaster or emergency declaration.

IV. SCOPE AND AUDIENCE:

This policy is applicable to all major disasters and emergencies declared on or after its date of issuance. It is intended to be used by FEMA personnel involved in making eligibility determinations under the Public Assistance Program.

V. AUTHORITY:

Sections 403 and 502 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act), 42 U.S.C. 5170b, 42 U.S.C. 5192; the Pets Evacuation and Transportation Standards Act (PETS Act) of 2006, P.L. No. 109-308, § 4, 120 Stat. 1725 (2006); and 44 CFR §§ 206.223(a), 206.225(a).

VI. BACKGROUND:

On October 6, 2006, the PETS Act was signed into law, amending Section 403 of the Stafford Act. Section 403, as amended by the PETS Act, authorizes FEMA to provide rescue, care, shelter, and essential needs for individuals with household pets and service animals, and to the household pets and animals themselves following a major disaster or emergency.

VII. POLICY:

A. Definitions:

1. Household Pet. A domesticated animal, such as a dog, cat, bird, rabbit, rodent, or turtle that is traditionally kept in the home for pleasure rather than for commercial purposes, can travel in commercial carriers, and be housed in temporary facilities. Household pets do not

include reptiles (except turtles), amphibians, fish, insects/arachnids, farm animals (including horses), and animals kept for racing purposes.

2. Service Animal¹. Any guide dog, signal dog, or other animal individually trained to provide assistance to an individual with a disability including, but not limited to, guiding individuals with impaired vision, alerting individuals with impaired hearing to intruders or sounds, providing minimal protection or rescue work, pulling a wheelchair, or fetching dropped items.

3. Congregate Household Pet Shelters. Any private or public facility that provides refuge to rescued household pets and the household pets of shelterees in response to a declared major disaster or emergency.

B. Eligibility. State and local governments that receive evacuees from areas declared a major disaster or an emergency may seek reimbursement for eligible pet rescue, sheltering, and evacuation-support costs.

1. State and local governments outside the designated disaster area may seek reimbursement under mutual aid protocols through the affected and supported state(s). (44 CFR § 206.223(a)(2)).

2. State and local governments are the only eligible applicants for sheltering and rescuing household pets and service animals. Contractors or private nonprofit (PNP) organizations that shelter or rescue household pets and service animals cannot be reimbursed directly as an applicant. However, contractors and PNPs can be reimbursed for sheltering and rescuing household pets and service animals through a state or local government, provided a written statement from an eligible applicant is presented in which the applicant verifies that the contractor or PNP is performing or has performed sheltering or rescuing operations on the applicant's behalf and the expenses are documented.

C. Household Pet Rescue. State and local governments may conduct rescue operations for household pets directly or they may contract with other providers for such services. Eligible costs include, but are not limited to, the following:

1. Overtime for regular full-time employees.

¹ Department of Justice, Americans with Disabilities Act (ADA), 42 USC 1201 et seq, implementing regulations at 28 CFR § 36.104.

The cost of leasing equipment for this purpose may also be eligible for reimbursement.

D. Congregate Household Pet Sheltering. State and local governments may conduct sheltering operations for pets directly, or may contract with other sheltering providers for such services. Eligible Category B congregate pet sheltering costs may include, but are not limited to, the *reasonable* costs for:

1. Facilities.

- Medication for animal decontamination and parasite control to ensure that the animal is not a health threat to humans or other animals.

However, the straight-time pay of these employees is not eligible. Regular-time and overtime for contract labor, including mutual aid agreements,
